

DIGITALLY SIGNED CERTIFICATE OF AUTHENTICITY

QUANTUMTRUST VERIFIED CRYPTOGRAPHIC SPECIMEN

DOCUMENT METADATA & CRYPTOGRAPHIC PAYLOAD

Document ID: QT-DOC-DEMO_EXPIRED_CERT_SIGNED_DOCUMENT

Signer Identity: Legacy Signer CA

Issuing Organization: Old Security Authority

Timestamp: 2026-09-05 14:01:36 UTC

Security Verification Statement

This official document is certified and cryptographically sealed under the QuantumTrust Digital Signature Verification Protocol. The cryptographic hash protects the integrity of all content elements, byte ranges, and associated metadata.

Technical Cryptographic Profile

- Key Algorithm: RSA-2048 (2048-bit modulus)
- Signature SubFilter: adbe.pkcs7.detached (PAdES compatible)
- Hash Function: SHA-256 (256-bit cryptographic digest)
- Trust Model: X.509 v3 Digital Certificate

Verification Notice

Any unauthorized byte alteration or structural injection invalidates the cryptographic seal and triggers a TAMPERED verdict during automated document audit.

Digitally signed by Legacy Signer CA.
