

DIGITALLY SIGNED CERTIFICATE OF AUTHENTICITY

QUANTUMTRUST VERIFIED CRYPTOGRAPHIC SPECIMEN

DOCUMENT METADATA & CRYPTOGRAPHIC PAYLOAD

Document ID: QT-DOC-DEMO_VALID_SIGNED_DOCUMENT

Signer Identity: Alice Smith (Chief Information Security Officer)

Issuing Organization: QuantumTrust Global Security Inc.

Timestamp: 2026-09-05 02:50:10 UTC

Security Verification Statement

This official document is certified and cryptographically sealed under the QuantumTrust Digital Signature Verification Protocol. The cryptographic hash protects the integrity of all content elements, byte ranges, and associated metadata.

Technical Cryptographic Profile

- Key Algorithm: RSA-2048 (2048-bit modulus)
- Signature SubFilter: adbe.pkcs7.detached (PAdES compatible)
- Hash Function: SHA-256 (256-bit cryptographic digest)
- Trust Model: X.509 v3 Digital Certificate

Verification Notice

Any unauthorized byte alteration or structural injection invalidates the cryptographic seal and triggers a TAMPERED verdict during automated document audit.
